2<sup>nd</sup> July 2020

Dear Parents/Carers,

As we begin to see most of the children during the coming days, I wanted to confirm the classes for September and share some other details. It has been wonderful to see children in 3EE today and I look forward to seeing more children during the next two weeks.

Current Class	New Class (2020-21)
3EE	4KB
3JB	4JA
4JA	5ST
4KB	5MH
5MH	6NW
5JS	6RW

Mrs Tyrrell returns from maternity leave this week and she will share responsibility for a Year 5 class in September with Mrs Saleri who has become a valued member of the team recently, working with Year 6. Mrs Tyrrell will be in class 3 days per week until December and then 4 days per week for the remainder of the year. Mrs Saleri will cover the other days, as well as working with Year 6, ensuring continuity and a smooth partnership.

The staff are looking forward to working with their new classes in September. We are about to find out how the government want us to work and will share the finer details once we put a plan in place e.g. possible staggered start/end to the day and class 'bubbles'. We are thankful that all children will be back in school, ready to push on with their learning.

## Reports

We will give out the children's reports during their visit days, starting today. Y6 reports will go out on their last day i.e. 13<sup>th</sup> or 14<sup>th</sup> July. The children in the 'key worker bubbles' will get their report on the same day as their peers. We will contact you if your child is not in on a particular day.

Thank you again for your support during a very strange few months – we really appreciate it. Take care and stay safe.

Yours sincerely,

*David Hugill*
