16th July 2020

Dear Parents/Carers,

Re: Transition from Y2 to Y3

Welcome to our school community. Please read my letter and our re-opening plan for details of the arrangements for September.

We are looking forward to seeing our new children soon. Unfortunately, they were not able to come for a preliminary visit this term. I hope you managed to view my video message a short while ago. When I said we are going to look after them, I meant every word. My staff work carefully to help the children settle and engage in rich learning – nurture is part of our identity.

In addition, St. Margaret's is a strong and supportive school community. Staff and families work closely together and develop excellent relationships. We look forward to getting to know you too, remembering of course our existing parents/carers who have children in both schools.

Drop Off & Collection

For the time being, all Y3 and Y4 children will use the main gate on Knutton Road. We will look to incorporate the top gate on Church Lane back into our plans as we move forward.

Staff will be available to greet the children as they arrive. Please leave your child at the gate to walk along the driveway path where other staff will direct them to their classroom.

Please collect the children from the playground outside the main hall. There is a one-way system to follow in the grounds (staff will guide you initially). Please help us to maintain class 'bubbles' by keeping your child separate from those in other classes.

Again, let me reassure you that all will be well and wish you a lovely remainder of the summer.

Yours sincerely

David Hugill

Mr D Hugill (Headteacher)
