Dear Parent/Carers,

I am writing to inform you that we are changing our uniform provider to Smart School Uniform, who you may know have a shop and factory in Newcastle.

Having discussed uniform with several parents/carers, I feel this will give you the opportunity to try items on and buy in store whilst still having the flexibility to order online (free delivery to store).

School has purchased the remaining stock from The School Uniform Specialist and we will offer a range of items at a discounted cost:

- Please see the attached list of items available
- An order form of stock items is attached – please send orders to the school office
- Once we have confirmed the stock is available, we will add your payment option to ParentPay
- We will send the uniform home with your child once we have received payment
- When we have sold this stock, please order all uniform from Smart

Smart has a good reputation and supplies many local schools, including May Bank and our two main high schools. They have a shop on Hassell Street and make many garments in their Barracks Road factory. It is a good opportunity to support a local business **and** reduce our carbon footprint.

Details: Smart School Uniform, Harvey House, Hassell Street, Newcastle, Staffs. ST5 1AR. Tel: 01782 713650

During the handover period, Smart are very happy to take any questions from parents/carers via shop@smartuniform.co.uk. They will be ready to supply the new uniform in early 2021.

Small changes to the uniform (parents/carers can update when new items needed):

- The school jumper and cardigan will have a sky blue line within the ribbed V-neck/opening
- **A brand new school tie is a unique design in a repeated pattern of our school logo**
- A full PE kit will now be available and becomes an official part of uniform from September 2021
- A summer dress will also be available

Smart will provide a complete price list soon. Although some items may have a slight increase in cost, due to better quality and a local shop service, Smart have agreed to offer an introductory discount.

In addition, the shop is open Monday to Saturday **and** on Sundays during the summer holiday. The shop has a whole floor for primary schools and currently offer an appointment system to keep everyone safe.

The updates to the uniform are exciting and we are looking forward to working with the new supplier.

Yours sincerely,

D Hugill
