24<sup>th</sup> September 2020

Dear Parents/Carers,

## A Great Day

I was thrilled to see the children in 5ST this morning. I cannot tell you how good it is to have them back again. In fact, we only had one child absent from the whole school today, which is fantastic.

Our friends in the family directly affected are all safe and well and I am very pleased to say that we have had no further positive test results either.

I would like to thank the children and parents/carers of 5ST, and those in other classes who were isolating, for their positivity and commitment during the last two weeks. They have made the best of a difficult situation and the children have completed some amazing home learning. I might run out of gold stickers rewarding them all!

Staff, children and families have worked together by maintaining separate bubbles, sticking to staggered times, following hygiene protocols and being careful. If we all remain vigilant, then we can protect our community and ensure that the children's learning continues in school.

Please also refer to the letter today from Public Health England. It covers areas such as spotting symptoms and provides other general advice around Coronavirus.

**Once again, I would like to thank you for your fantastic support** during a trying time. When a parent asked me how I always stay so cheerful, my reply was that I enjoy being around our brilliant children. I find it so rewarding to lead such a great school community.

Yours sincerely,

*D Hugill*
