Dear Parents/Carers,

Re: Individual Music Lessons

Thank you for your patience regarding the children's music tuition arrangements at school.

We are keen to encourage children to develop their musical ability and are fully committed to offering this provision in school. The difficulty we have is the need to maintain separation of class bubbles, including for tuition. Together with staggered lunch breaks, it is like solving a very tricky puzzle.

We would be grateful if you will complete the reply slip below to provide us with a firm indication of the children's instrument preference. Please let us know by the end of the week if possible.

In the meantime, I have been liaising with our contact at Staffordshire's music service in an attempt to solve this conundrum, hopefully for after the half term break. If we can get good numbers of children for the same instruments, within bubbles, that would be great.

N.B. the approximate cost of tuition is £200 (36 weeks). We will confirm this in due course.

Yours sincerely,

D Hugill
